Dear Cousins,

We visited Puella last week and what a good time was had by all. Some time I am going to put up a bench in their yard just to sit and watch the boats. They have a wonderful view.

We just et and et and talked Yankin - did your ears burn?

I would like to have you folks here on June 6 for noon dinner and more Yankin confab. Am expecting the Wiley

family and Charles and Luella. She is reducing but
she might yield to temptation - if tempting enough.

In case you cannot come let me know as want
to have all here together.

Your cousin
