

Sunday 9th

Dear Friend

Was at Conference yesterday
Mr Kurtz entrusted to me the
copy of the minutes of the Jersey
Church. It is more entertaining
than most of the best sellers of
today.

It would be impossible to
type it without the loss of many
of the inimitable details of plots,
erasures, over, and under writing,
and spicing - well.

He keeps it in a safe, so
I promised to return it intact
unless the house burns.

Rev Brownlee is very
much interested in a meeting at the
church soon. Good will come, I
know, if he has sufficient notice to
arrange. Trissinger has been very
ill but is better. Whittemore from
Scottdale, is interested too - so there
are all the speakers needed. Do not

anticipate any difficulty in securing
good music - then we are all
set for a great day.

Sasu - will come with
Rev Browlee his family and
perhaps others to spend a day at the
Jersey - picnic style. If you can
join us will be glad to drop you
a line - that means not just
you - the family. Will let you
know just as soon as the time
is set. May be short notice - but will
do the best I can.

Hope to see you at
Kingwood July 12.

one - but poor Papa is
