Mr. Adwell S. Younkin,
County Surveyor of Somerset County,
Box 6,
Confluence, Pa.

Re: Parcel R/22,
Youghiogheny River Reservoir.

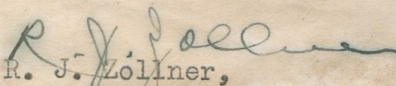

Dear Sir:

An examination of the land records in the Department of Internal Affairs at Harrisburg, Pa., disclosed that a certain tract of land containing 74 acres and 32 perches, situate in the Township of Addison, was never patented. Application for a survey was made by F. D. Younkin, Trustee for William S. Show et al. A warrant was issued September 3, 1940, directed to you as County Surveyor, for a survey of said unpatented land.

Mr. Macko of this office will be at your home on Friday, September 27, 1940, at 12:00 P.M., to arrange for the survey. It will be greatly appreciated if you will be available at that time.

For the District Engineer:

Very truly yours,

R. J. Zollner,
Chief, Land and Damages Section.
